

Golden Opportunity

The Senior High Youth Group, with the help of Phillip and Susan Watson of Watson's Jewelers, is providing a Golden Opportunity on Sunday, March 14th.

Instead of having a regular Montreat luncheon, the youth will host a 'finger-food' luncheon, and a wonderful opportunity for members of the congregation, and their friends and family to sell their unwanted or broken gold items. They will determine which pieces of your gold are 10K, 14K, or 18K, then weigh them to determine the value. So put your checkbooks away, you won't need them! Instead, you'll get a check payable to you from Watson's Jewelers for your unwanted and/or broken gold pieces. In turn, Phillip and Susan Watson will donate 20% of the day's totals to the Montreat Youth Fund. It's a win-win situation for all involved. You'll leave with money in your pocket, and the Youth Group will benefit from your good fortune! So start going through your old jewelry now, and we'll see you on Sunday, March 14th from 12:00-3:00.

Thanks for your support, and good fortune with your gold sale!

Habitat for Humanity

Church to Provide Snacks For Habitat Workers: March 8 - 12

This week beginning tomorrow, Monday, March 8, College Students from Blackburn College will once again be spending their Spring Break here in Marianna for the Annual Spring Break Build with the Jackson County Habitat for Humanity.

Our Church has again been asked to provide afternoon snacks for these College students who will be helping to build a home for Habitat for Humanity at 4258 Oak Street.

We need volunteers to bake cookies, or to provide healthy snacks. (Bottled water will be provided by the church). Snacks may be brought to the church office during the week, or be left in the church kitchen and be marked, "Habitat for Humanity."

If you need supplies for making cookies, please contact the church office at 526-2430 or talk with Marsha Rodgers.

Thanks to the following people who will be delivering these snacks for us:

Monday: Mary Ann Gibbs

Tuesday: Charlotte Hunter and Nancy McMullin

(Wednesday is a day off)

Thursday: Ron Goid

Friday: Ginger Green

In order to help these students Habitat is also seeking skilled and semi-skilled workers to work with them. If you can help, please contact Janet Harns at 209-4410 or Leslie Fuqua at 482-2187.
